

LEAGUE OF NATIONS

C.457.1931.VIII

Geneva, July 25th 1931.

DATE OF THE FOURTH GENERAL CONFERENCE ON COMMUNICATIONS
AND TRANSIT

Note by the Secretary-General.

The Secretary-General of the League has the honour to circulate to the Council the following letter from the Acting President of the Council, with regard to the date of the Fourth General Conference on Communications and Transit:

Geneva, July 8th, 1931.

" I have taken note of the letter of June 20th, 1931 from the Chairman of the Advisory and Technical Committee for Communications and Transit, with regard to a change in the date of the Fourth General Conference on Communications and Transit, a copy of which you were good enough to forward to me by your letter of July 5th, 1931. Since H. Zaleski, the Rapporteur to the Council on communications and transit questions, has agreed to this change, I have decided to fix the date of October 12th, 1931, for the Conference, instead of October 20th, as originally planned. I should be grateful if you would inform my colleagues on the Council of this decision, and would take the necessary steps to inform the Governments invited to the Conference as soon as possible of the change in date.

(signed) Curtius."
