VALONA 460 80 28 16

To the President of the League of Nations,
Geneva.

The Albanian Parliament, having full confidence in the humanitarian sentiments of the honourable representatives of the nations, begs to draw their attention to the massacres, persecutions, and violations which have been perpetrated during 8 years against the Albanians of Kossovo with an ever increasing ferocity, and begs them to induce their Governments to make the necessary representations to the Belgrade Government with a view to stopping acts of oppression which are a disgrace to twentieth century civilisation.

(signed) HODJA KADRI

President of the Albanian Parliament.
