LEAGUE OF NATIONS

DANZIG MUNICIPAL LOAN

In continuation of the various documents given in the brochure C. 204. M. 63. 1925. II., the Secretariat communicates to the Council and the States Members of the League a letter from the Chairman of the Danzig Harbour Board and an Agreement annexed thereto. It will be seen from these documents that the Harbour Board has definitely accepted the Danzig Municipality's offer. As the reservation contained in Clause 3 of the Agreement of March 13th, 1925 (C. 204. Document VI), has been withdrawn, this Agreement comes into force, thus making definite the authorisation given on March 14th by the Council of the League of Nations (C. 204. Document XIV, Resolution 1) to the issue, under the auspices of the League of Nations, of the Danzig Municipal Loan.

LETTER FROM THE CHAIRMAN OF THE HARBOUR BOARD

I have the honour to forward to you a copy of the Agreement which the Harbour Board Delegations have just signed in regard to the Harbour Board Loan.

(Signed) JAMES DE REYNIER,
