

LEAGUE OF NATIONS.

Communicated to the
Council and the Members
of the League.

C.58.M.58.1945.XI.
(O.C./A.R.1944/17).

(Issued in English only)

Geneva, July 7th, 1945.

TRAFFIC IN OPIUM AND OTHER DANGEROUS DRUGS.

ANNUAL REPORTS BY GOVERNMENTS FOR 1944.

A D E N

Communicated by the Government of the United Kingdom.

Note by the Acting Secretary-General.

In accordance with Article 21 of the Convention of 1931 for limiting the Manufacture and regulating the Distribution of Narcotic Drugs, the Acting Secretary-General has the honour to communicate the above-mentioned report to the parties to the Convention. The report is also communicated to other States and to the Advisory Committee on Traffic in Opium and other Dangerous Drugs.

(For the form of annual report, see document O.C.1600).

A. GENERAL

I. Laws and Publications.

1. The importation and sale of opium and dangerous drugs are controlled by the Dangerous Drugs Ordinance, 1942.

2. Under that Ordinance, no dangerous drugs may be imported except under licence and no person except an approved practitioner or licensed chemist may sell such drugs. The importation and sale of hemp are prohibited. Opium is imported only by the Government of the Colony, and is purchased from the dealer in quantities which will suffice to meet the needs of addicts as permitted by the Senior Medical Officer. The retail price of opium is fixed by Government. There is only one licensed dealer.

3. There are no publications.

II. Administration.

1. There have been no important modifications in the administrative arrangements for the execution of the international conventions.

2. The consumption of opium during the year was 27 kilogrammes.

III. Control of International Trade.

1. The system of import certificates worked satisfactorily. Aden is not an exporting country.

2. The Officers jointly responsible for issuing import certificates are the Financial Secretary and the Senior Medical Officer.

3. There have been no important modifications in the conditions of issue of import certificates.

4. Aden is not an exporting country.

5. No cases of forged or falsified certificates have come to light.

6. No difficulties have arisen regarding transit, transshipment etc.

7. See 4 above.

8. The importation of Indian hemp is prohibited.

IV. International Co-operation.

Aden has concluded no separate international treaties or arrangements regarding the control of dangerous drugs and opium.

V. Illicit Traffic.

The Opium poppy, the coca plant and Indian hemp are not cultivated in the Colony.

Opium may be purchased by addicts from a licensed dealer, as indicated above.

There were no cases of detection of illicit opium during the year.

B. RAW MATERIALS.

VII. Raw Opium.

Opium is not cultivated in Aden. Raw opium is purchased by Government of the Colony from the Government of India at the market price and is sold to the licensed dealer at a price of Rs.60/- per seer. The Government profit on these transactions in 1944 amounted to Rs.1284/-. The licensed dealer is permitted to charge a maximum retail price of Rs.105/- per seer (935 grammes).

VIII. Coca Leaf.

The coca plant is not cultivated in Aden and no revenue is derived therefrom.

IX. Indian Hemp.

This plant does not grow wild, nor it is cultivated.

The import of hempen drugs, Ganja and Bhang is prohibited.

C. MANUFACTURED DRUGS.

X. Internal Control of Manufactured Drugs.

1. There is no manufacture of dangerous drugs in the Colony.

2. Licences.

(a) No licences for the manufacture of dangerous drugs were issued.

(b) Seven chemists have been granted licences for the sale and dispensing of dangerous drugs under the usual conditions. One dealer has been granted a licence to sell prepared opium.

3. Manufacture. There are no drug factories.

4. Trade and Distribution.

(a) The following persons may be granted licences for the use or possession of dangerous drugs:

- (i) approved medical practitioners.
- (ii) approved dentists.
- (iii) other persons engaged in medical or veterinary practice as approved by the Senior Medical Officer.
- (iv) licensed chemists.

(b) The Inspector of Customs and Excise and the Senior Medical Officer or his authorised representative are empowered to enter the premises of any licensee and inspect his stock of dangerous drugs and the records of dealings therein. The stocks maintained in Aden are very small. Inspections are carried out as necessary.

D. OTHER QUESTIONS.

XI. Chapter IV of the Hague Convention.

No further information.

XII. Prepared Opium.

Opium smoking is not prohibited.
