TRAFFIC IN OPIUM AND OTHER DANGEROUS DRUGS.

ANNUAL REPORTS BY GOVERNMENTS FOR 1943.

BASUTOLAND.

Communicated by the Government of the United Kingdom.

Note by the Acting Secretary-General.

In accordance with Article 21 of the Convention of 1931 for limiting the Manufacture and regulating the Distribution of Narcotic Drugs, the Acting Secretary-General has the honour to communicate the above-mentioned report to the parties to the Convention. The report is also communicated to other States and to the Advisory Committee on Traffic in Opium and other Dangerous Drugs.

(For the form of annual reports, see document O.C.1600.)

A. GENERAL.

III. Control of International Trade.

1. The system of import certificates worked satisfactorily.
2. No changes.
3. No important modification of any certificates.
4. Basutoland is not an exporting country.
5. No instances of forged certificates have come to the knowledge of this Administration during the year under review.
6. No difficulties were encountered.
7. Not applicable to Basutoland.
8. Basutoland is not affected.

IV. International Co-operation.

2. Co-operation is maintained with the Union of South Africa in the control of the traffic in "dagga".

V. Illicit Traffic.

1. The only illicit traffic in narcotic substances is in "dagga" and necessary legislation against its cultivation and use is in force.

It is an indigenous plant and grows in most parts of the territory. Chiefs and Headmen are held responsible for its eradication in their respective areas and the Government on the Reserves. When the growth of the drug is seen by the police on patrol they report the fact to the Chief or Headman who carry out its destruction. In every case which has been reported by the police, action has been taken.

Smuggling it out of the country still continues. Profitable markets are to be found in the larger towns in the Union.

The ever-increasing use of motor cars for transport has made it more difficult to stop.

Close co-operation between the Basutoland and the Union police in an endeavour to suppress this crime continues.

2. Not applicable to Basutoland.

3. The following is a list of prosecutions, convictions and penalties imposed during the year :

A. Number of Prosecutions	349
Number of Convictions	345
Penalties imposed	£ 587.10.0, or 20 years, 3 months, 3 weeks, 3 days imprisonment with hard labour.

B. Quantities of dagga confiscated 3,067 lbs. 6 1/4 oz.
(1,394 kg. 129 gr.)
Method of disposal Destroyed by fire.

4. Not applicable to Basutoland.

5. Not applicable to Basutoland.

6. "Dagga" is still purchased by buyers from the Union at prices ranging from 1/6 to 2/- per lb. (454,5 grammes) and is retailed at a handsome profit.

B. RAW MATERIALS.

VII. Raw Opium.

Opium poppy does not grow in Basutoland.

VIII. Coca Leaf.

The Coca plant does not grow in Basutoland.

IX. Indian Hemp.

1. Indian hemp (locally known as "dagga") is an indigenous plant and grows in most parts of the territory. It is used by a limited number of natives and is smoked pure or mixed with native tobacco in pipes or through a special pipe in the ground.

2. Cultivation is prohibited.

3. Cultivation and harvesting are prohibited.

4. Constant police vigilance.

5. (a) Not permitted.

(b) None.

6. Not applicable.

7. Chiefs are responsible for the destruction of the wild "dagga" plant in their areas but, owing to the nature of the country, particularly the mountainous portions, eradication is very difficult.

8. No new developments.

D. OTHER QUESTIONS.

XII. 1 to 4 not applicable.
